

## Black Prince Trust – Community Update Summer 2018

### Funding News

#### London Sport Satellite Clubs:

With the support of London Sport, Black Prince Trust has been able to deliver a basketball programme off site at Westminster UTC. The programme is delivered after school to over 40 students using basketball to promote being active and as an outreach tool to promote additional opportunities for students to be active at The Hub.

#### Sir Walter St John's Homework Club:

We are delighted to be supported by Sir Walter St John's Education Charity to develop an after-school programme that includes academic support alongside opportunities for students to become active during the next academic year. In September 2018, the Black Prince Trust will be hosting 2 sessions a week for any academic support for young people who want a relaxing and supportive environment to do their work. In addition to this a number of free sports programmes will run alongside the academic support to encourage physical activity and promote a healthy lifestyle.

### Health and Wellbeing

#### Lambeth Cabinet Members visited Brook services at The Hub

Lambeth Cabinet Members Councillor Jacqui Dyer, Councillor Ed Davie and Commissioners Jennifer Reiter and Corinna Gamble took the time to visit BPT partner Brook on Friday 20<sup>th</sup> July. During the visit they gained a greater understanding of the partnership between Brook and BPT and the services on offer to the community. To date there have been over 60 attendances.

Brook offer:

- Contraception (including emergency contraception)
- Condoms
- Sexually transmitted infection testing and treatment
- Pregnancy testing and termination of pregnancy referrals
- General sexual health advice
- Drugs and alcohol advice and interventions.

The service is free and confidential for anyone under the age of 21 or up to the age of 25 if they are vulnerable. Our clinic runs 4-6.30pm every Friday.

For more information on the services on offer by Brook here at BPT please visit [www.brook.org.uk](http://www.brook.org.uk)

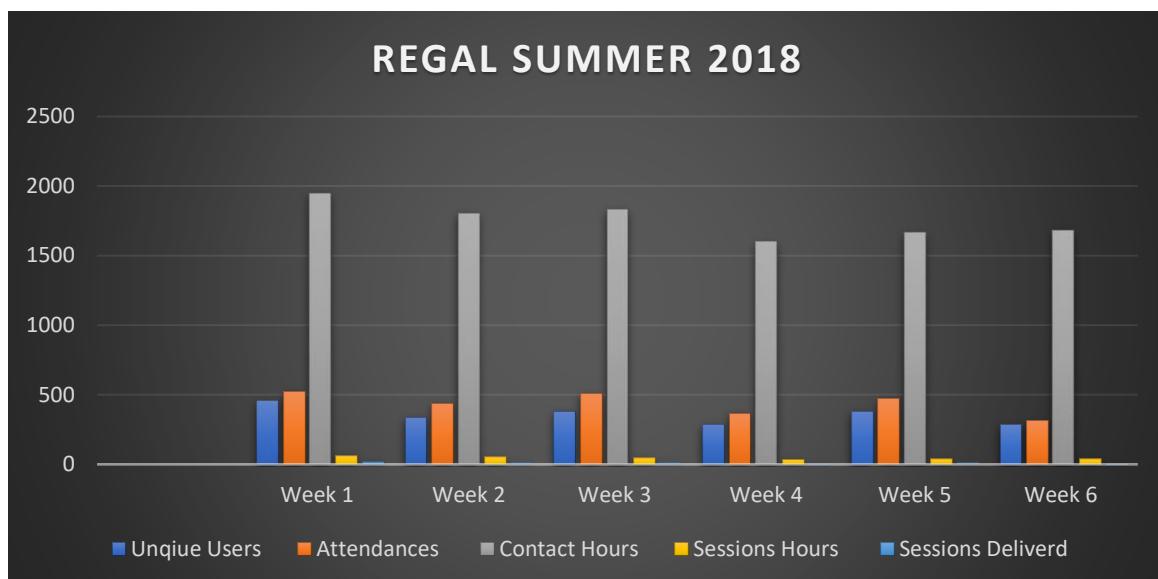

## **BPT shortlisted for Award**

BPT is pleased to have been shortlisted for a "Lammy" Award in the category "Going the extra mile". The Lammy Awards celebrate the amazing work organisations do across Lambeth. The awards are taking place at The Kia Oval on Wednesday 5<sup>th</sup> September.

## **Summer Programme 2018**

### Basketball – A Regal Summer

BPT has worked in partnership for the summer holidays with current basketball partners The London Basketball Association, Ball is London, Team Elite Basketball and Footfire to deliver 292.17 hours of **free** basketball. The sessions have included camps, scrimmages and open sessions which have been open to the whole basketball community from across London. During the first week we have also had visitors from France, Poland, Germany and Ireland.

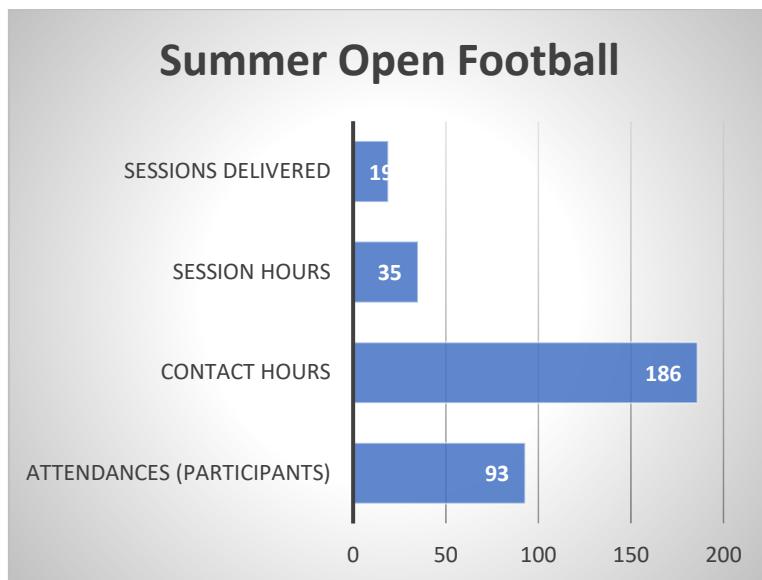

Regal Summer	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Total
Unique Users	460	338	382	291	385	286	2142
Attendances	525	440	513	366	476	314	2634
Contact Hours	1952.5	1805	1835.58	1600.5	1666	1685	10544.58
Sessions Hours	64.5	55	51.67	38.5	41	41.5	292.17
Sessions Delivered	21	15	15	9	11	9	80

## **Football & Multi Sports**

### Powerleague and BPT Open Football

BPT is also working in partnership with Powerleague Vauxhall to deliver free football and Multi Sports activities from The Hub. The Open football sessions have been running daily during the first week of the summer and have seen 93 users take part in 35 hours of free football.

The open football sessions will continue to run for the remaining duration of the summer holidays here at The Hub.

### Fulham Summer Kicks

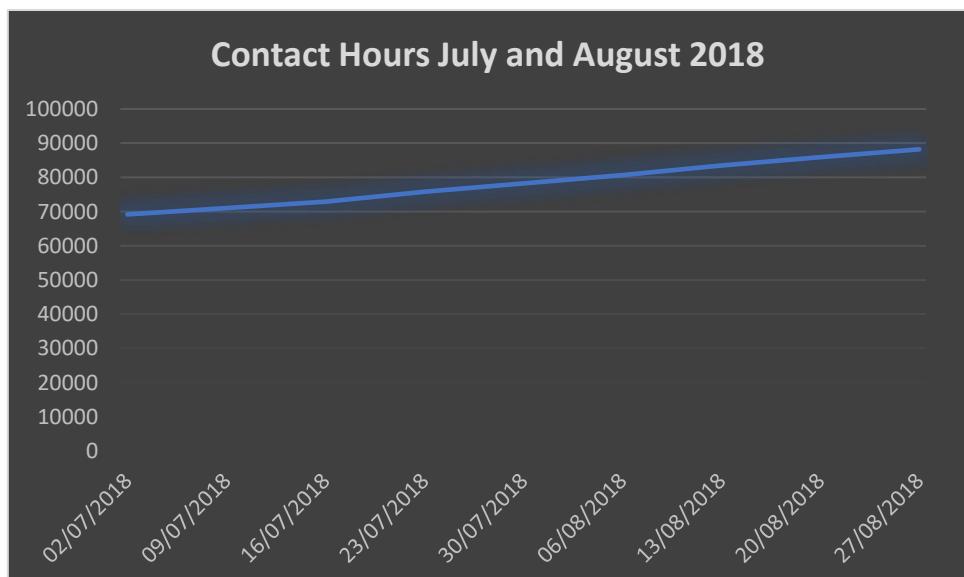

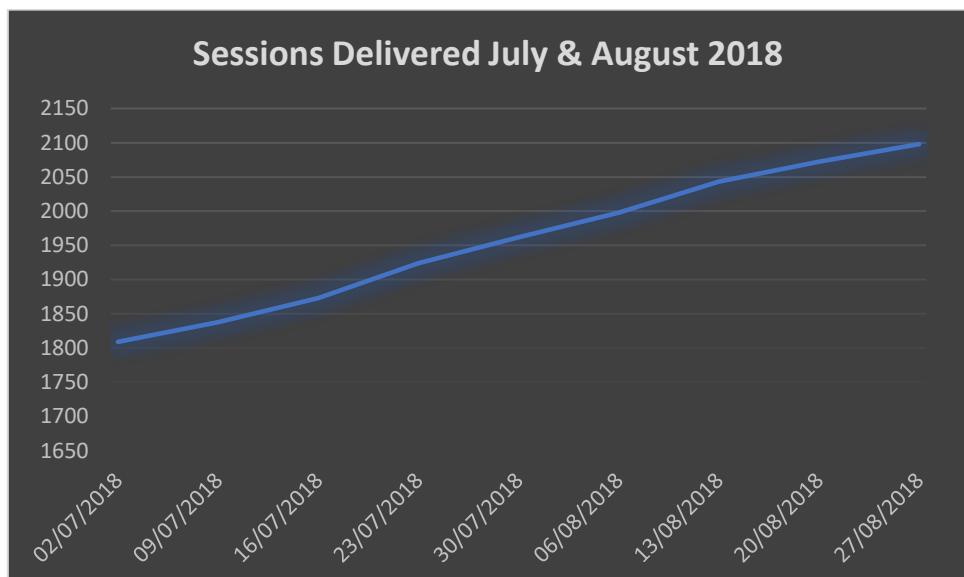

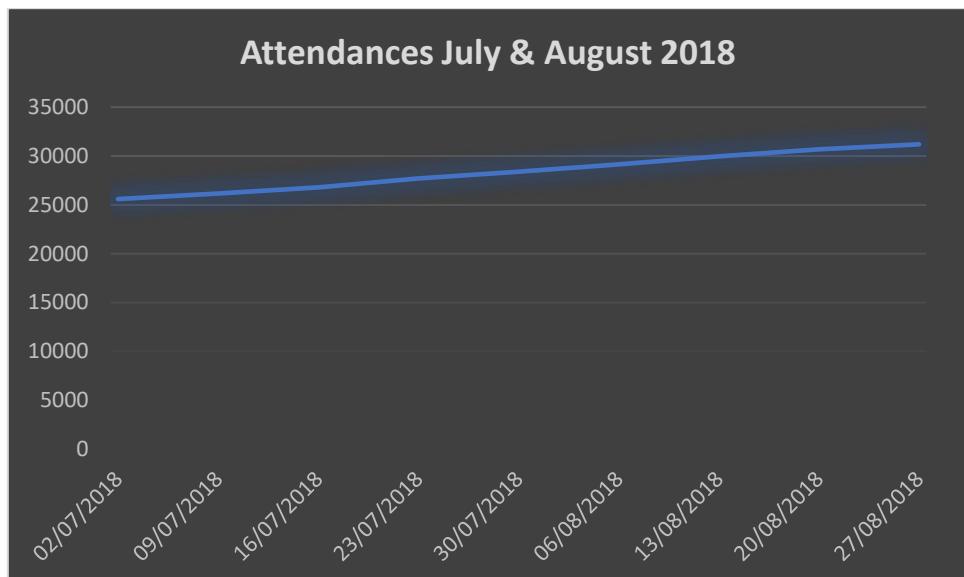

During Summer 2018 Fulham FC Community Trust extended their existing delivery by adding the "Summer Kicks programme". This programme included a Monday football-based session followed by a multi sports session on a Wednesday. Leading on from these sessions will be the chance for young people to attend extra sessions in Football Golf, Laser Tag and more. The sessions ran for five weeks and will signpost new participants to the already existing Fulham Kicks sessions which take place every Friday evening from 6:30pm at The Hub as part of the Fulham FC Foundation Kicks programme.

## **Lambeth Youth Offending Service**

Over the summer staff members from Lambeth Youth Offending Service spent the day at the Black Prince Trust for their team away day. The day consisted of team building and service shaping workshops. It was also the chance for BPT Community Manager to showcase all the opportunities on offer here at The Hub to young people within youth offending system.

## **Monitoring and Evaluation – July 2018**

BPT is pleased to be continuing to show an increase in sessions delivered and contact hours across the activities we deliver here at The Hub via our monitoring system Upshot.

## **Digital, Culture, Media & Sport (DCMS) Select Committee Community Consultation**

The Black Prince Trust was invited to attend the DCMS Committee visit to Kennington on Monday 23<sup>rd</sup> July. Hosted in the Kennington Park Centre by Committee Chair Damian Collins MP, community leaders that use the power of sport to address key local issues within Lambeth came together to discuss how the Committee best addresses key local issues such as youth unemployment and the rise in youth violence. The discussion centred around the Committee members gaining a greater understanding of the current offer to young people within Lambeth and to explore potential gaps in provision. BPT was commended for its pan London appeal to young people, partnership approach to tackling key local issues and the ability to record this information via our monitoring and evaluation system Upshot.

### **London Sport Disability Advice Service**

Over the next few months, BPT will be working with London Sport and a range of key local providers of physical activity to members of the Lambeth community with disabilities and mental health issues, to devise and implement a digital system to showcase the opportunities to become active.

London Sport is initially (1 year) driving the network of groups to ensure that there is a clear platform that showcases the existing physical activity on offer to people with disabilities and is updated and relevant. The group meets quarterly with key group and individual actions. After initial support from London Sport the group will appoint an independent Chair. This appointment will drive the work of the group forward and set clear objectives for the group moving forward.

### **Brightening up the community**

Over the summer local artists and the team from We Are Progress will be brightening up the view as you walk along Beaufoy Walk towards The Hub. Working in partnership with the Ethelred TMO and We Are Progress, BPT has agreed to a mural which highlights the diversity of our community. Once completed We are Progress will plant flowers and add seating areas to allow local people to relax and enjoy the art and flowers. Below shows the work in progress and please look out for future community updates to see the finished work.

### **Repowering – DIY draught proofing event.**

BPT and Repowering are working in partnership to deliver a DIY draught proofing event to residents of the Ethelred Estate and the wider community. The workshop will take place on Wednesday 5<sup>th</sup> September 6pm-8pm in The Space.

This workshop is simply a demonstration session where residents can come and learn about different types of draught proofing materials (and how to fit them), discuss what a big difference draught proofing can make, and take away some materials to use at home.

The aim is to encourage people to go and make improvements in their homes after the workshop and talk to their friends and neighbours about what they have done. For more information and to book a place at the workshop please call 07864212057

If you would like any more detailed information on the work that takes place here at BPT please contact Jason Henley, Community Manager via [Jason@blackprincetrust.org.uk](mailto:Jason@blackprincetrust.org.uk)
